

# RNRT 401 : Healthcare Research and Evidence Based Practice

The course will continue development of evidence-based practice skills in the already licensed healthcare professional. Students will develop or consolidate skills in evaluating and applying research to clinical practice. Topics include the research process, literature critique and principles of effective and efficient knowledge transfer into practice. Using project based learning, students will incorporate the clinical value compass and principles of quality improvement to address practice issues.

**Credits 4**

**Prerequisites**

R.N. Licensure or R.R.T. Licensure; [MAT 220](#) or equivalent
